STELZER WON.

Knocked George Carl out in the eighth round.

Buck Stelzer, of Columbus, knocked out George Carl, of Benwood, in the eighth round last night at the Drovers' Home club rooms, North Benwood, in a contest scheduled to go twenty rounds. The Benwood boy held his own until the knockout drop—a straight stomach punch—came in the eighth, and he made new admirers by his showing. The weight, 135 pounds, pulled him down too low. P. J. Gavin was the referee.

The fighting was fast from the start. Carl's swings sent Buck to the floor for part of the counts in the second and third rounds. Honors were even in the fourth. Buck got his hands busy in the fifth and was knocked down several times. His wonderful recuperative powers helped him out, however. Honors were even in the sixth, both being weak from the pace. Buck had a shade the better of the milling in the seventh, and in a minute's work in the eighth he shot around a stomach jolt as Carl closed in, and the Benwood lad went to the floor for the first time, and out. It was a fair and hard battle and was enjoyed by a full club house.

McClelland-Hopkins Battle.

The state fair and the low railroad rates will bring a large crowd to Wheeling to see the McClelland-Hopkins battle at the Metropolitan club, Thursday evening, and the crowd will see a bang-up affair. Hopkins didn't arrive yesterday as expected, but is due here in the afternoon on the Johnstown puncher to his training. McClelland is reported in fine shape.

MARTIN'S FERRY NEWS.

The Daily Chronicle of Wheeling's Progressive Neighbor.

As an opening request to the scholars of the public schools yesterday the teachers repeated the desire of the postmasters that he pupils refrain from visiting the postoffice on the day of the school. This was done apparently to lessen the heavy labors of the official. Perhaps it did not occur to him that the government expects him to work a few minutes each day of the six set aside for the labor of man. It may be that the gentleman overlooked the fact that the city of Martin's Ferry reaches about a mile on either side of the building occupied by him during his busy period and that often the only messenger that can be sent to the office is a child who volunteers to stop on his way to and from school. In the future the school must go home and then return to the postoffice, thereby losing much time. This is certainly a step in the wrong direction and meets with the hearty disapproval of all citizens.

Charles Huffman left yesterday for the vision of the stork is one which brightens the eyes and quickens the heart beat of every young wife. Yet often the vision is never realized, and as the laughter of infant voices floats from without into the childless home the eyes sicken and the heart grows hungry.

It often happens that childlessness is due to conditions which may be corrected. Many women have found that the vitality and vigor imparted by Doctor Pierce's Favorite Prescription to the womanly organs, has been the one thing needed to fulfill the joy of motherhood. This famous medicine is not a cure-all, but a specialist's prescription, having as a single aim the cure of diseases peculiar to women.

Sick or weak women are invited to consult Dr. Pierce, Buffalo, N. Y., by letter, free of charge, thus avoiding the indelicate questions, offensive examinations, and local treatments, generally considered necessary by inexperienced practitioners. All letters are held as strictly private and sacredly confidential. Each answer is sent in a perfectly plain envelope.

There is neither alcohol nor other intoxicant in "Favorite Prescription," and it is absolutely free from opium, cocaine and all narcotic drugs.

My wife was sick for over eight years," writes Albert H. Pulte, Reg. of Alton, Grundy County, Tenn. "She had uterine trouble, treated by two physicians and got no relief. At last I read, in one of your Memoranda, about Dr. Pierce's medicine, and we decided to try it. I sent her a box, and she got one bottle and the first dose and she was better. She had not slept for three nights, being sure that it would cure her. I sent her a second bottle and she was well. We now have a fine boy at our house."

Dr. Pierce's Pleasant Pellets promote a healthy condition of the stomach.
